International Student Admission Application for 2011-12

Dear Prospective International Student:

Thank you for your interest in Century College. Century College is a two-year college with over 14,000 students. The college is located in White Bear Lake, Minnesota, a suburban community located about 10 miles north of Saint Paul, Minnesota, the state capital of Minnesota. White Bear Lake has an estimated population of 26,000 and is part of the Minneapolis-Saint Paul (Twin Cities) metropolitan area, which comprises over 3,250,000 residents.

The climate in Minnesota distinctly includes all four seasons. The weather ranges from 21 to 32 degrees centigrade during the months of June through August, and -6 to -12 degrees centigrade during the months of December through February. Century College offers activities for all seasons of the year, including volleyball, soccer, snowshoeing, golf, and softball.

Century College offers over 60 programs of study leading to two-year associate degrees in arts, sciences, or applied sciences. Century also offers courses that allow students to complete the general education courses of a wide range of majors, transferable to four-year colleges and universities. The academic year is divided into two semesters during which an international student must be enrolled full time with 12 or more credits, in three to four different courses. The fall semester runs from late August through mid-December and the spring semester runs from mid-January to mid-May.

SPECIAL APPLICATIONS, PREREQUISITES, and HIGH DEMAND for certain PROGRAMS:

Due to the high demand for the career programs listed below, Century College cannot guarantee that a student will be able to start in his or her intended career program immediately upon admission to Century College. In some cases, students' academic plans will need to change, due to limited openings in certain career programs. Special application forms and/or processes are required for the following programs: Automotive Service Technology, Dental Assisting, Dental Hygiene, Kitchen and Bath Design Certification (on-line), Medical Assistant, Nursing, Orthotic Technician, Orthotic Practitioner, Paramedic, Prosthetic Technician, Prosthetic Practitioner, and Radiologic Technology. Additional program admission information is available at www.century.edu under Future Students, Admissions, and Special Programs.

ENGLISH SKILLS needed for ADMISSION compared with COLLEGE-LEVEL PROGRAMS:

Courses that develop English skills must be completed before a Century College student can gain entrance into college-level courses, numbered 1000 or above. For admission, Century College requires the following minimum placement scores: 61 on the TOEFL internet-based test (iBT), 500 on the TOEFL paper and pencil test, or course placement at Century College's ESOL 0030's level on the Accuplacer-ESL test. These minimum placement scores for admission compare with typical "college-level" English proficiency scores of 79 on the TOEFL - iBT (with minimum section scores of 19 for reading and 21 for writing), or a score of 550 on the paper and pencil version of the TOEFL. (See University of Minnesota Graduate Program requirements, at TOEFL's website www.ets.org, search: TOEFL® iBT Scores Set by Universities and Other Score Users.) With minimum scores, an entering student would typically be enrolled in two full semesters of English for Speakers of Other Languages (ESOL) courses, followed by one or two semesters of mostly developmental/precollege level English writing and reading courses. These precollege-level courses are numbered below 1000 and provide credits to satisfy visa full-time enrollment requirements, but do not provide credits toward graduation or college transfer. Completion of ESOL and developmental English writing and reading skills courses is generally required before a student can register in courses of his or her intended degree program. Century College requires the Accuplacer Assessment Test be taken upon students' arrival on campus. Your placement into Century College courses will be determined by your Accuplacer test scores. For more information, contact Century College's International Admissions Office, keyword search Accuplace on Century's website, or search Century's online catalog, starting on page 48, for degree and course requirements: <http://www.century.edu/files/centurycatalog.pdf>.

Financial Responsibility Form

You must complete the reverse side of this statement and return it with your application. Please attach required bank documentation(s) along with required official stamps or seals noting that your identity was verified when signing this form.

Century College requires certification of adequate financial support from applicants with nonimmigrant visas. The certification statement on the next page must be on file at Century College before admission will be considered. A student must be prepared to pay for his/her first semester tuition and fees, books and supplies, and the annual injury and sickness insurance costs, immediately upon arriving at Century College. Financial aid is not available to international students.

ESTIMATED COSTS FOR 2011-2012 ACADEMIC YEAR *

* Tuition and fees are set by the Minnesota State Colleges and Universities Board of Trustees preceding the academic year, in July. Costs listed below are subject to change. Current tuition and fees are on the college's website, www.century.edu, then click Current Students, then Business Office, then Tuition Rates and Fees. Amounts shown below are in US dollars.

Item	Full Year Cost		
Tuition and fees: \$175 per credit *	\$4,200.00 (12 credits x 2 semesters x \$175)	}	
Books, supplies, and fees **	1,000.00 (2 semesters)		} \$6,200
Injury and Sickness Insurance ***	1,000.00 (12 months)		
Room and Board/Food	9,000.00	}	
Transportation	2,000.00		} subtotal \$14,000
Miscellaneous/Personal Expenses	3,000.00		
TOTAL	\$20,200.00		

* Tuition rates are generally higher by \$12 per credit for on-line courses, by \$35 per credit for Nursing discipline courses, and by \$25 per credit for Dental Assisting & Hygiene, Orthotic Technician & Practitioner, and Prosthetic Technician & Practitioner discipline courses. Shown above is the rate for the minimum credit registration required during fall and spring semesters (12+12=24 credits) in general academic discipline courses, including those within the discipline of English for Speakers of Other Languages (ESOL), and those courses numbered below 1000 and considered precollege level or developmental level. Students often register for more than the minimum number credits during fall and spring semesters, and also take summer session courses, thus increasing expenses for tuition, fees, books, and supplies beyond the above estimated costs.

** Tools in trade programs (Automotive Service, Auto Body, etc) can cost up to \$3500, and are the student's responsibility.

*** Injury and sickness insurance is required, and needs to be paid for each year prior to course registration. You can view the insurance brochure online at www.studentresources.com. At this website, click the upper right direct link "Find My School's Plan." On the next screen, enter "Policy Number 22-1251-4," and click "Search." Then click on the "Minnesota Community and Technical College" direct link, also on the same page.

Single students must provide evidence of minimum financial support in the amount of \$20,200 to meet expenses for one calendar year in the United States. If applicable, an Affidavit of Support form, USCIS Form I-134, available at www.uscis.gov, can be completed to provide evidence of support for room and board, transportation, and miscellaneous/personal expenses, which compose \$14,000 of the total \$20,200 annual costs, leaving \$6,200 to be covered by banking documents. Student who cannot demonstrate that they have sufficient funds will not be admitted to the college.

Students with dependents (married students and students with families) must use the above chart and add \$3,500 for spouse and \$2,500 for each child or other dependent.

Both Student Applicant and Financial Sponsor must complete and sign the lower part of this form, in front of a notary public, prior to submitting it along with supporting financial documents.

By signing this form, the student affirms that:

1. I will have sufficient funds available to pay all of my necessary expenses in the amount indicated on the reverse side of this form for the duration of my studies at Century College and will further be able to pay for travel to and from my home country.
2. I understand that I will not receive financial aid (grants, loans, or employment) from the college.
