

## Need Help Reviewing for the Math Assessment Test?

# Help is on D2L. Login and click on Math Assessment Review

The Math Assessment Review may help you refresh your math skills in preparation for the Accuplacer math assessment test. The Math Assessment Review covers several math topics and provides example problems with notes and videos, practice worksheets with completed step-by-step solutions, and a multiple-choice practice test. You may take the math assessment test *twice* within twelve months, so study before each take. Testing into a higher math course may save you time and money!

Go to [www.century.edu](http://www.century.edu) and click *Current Students*, then *Desire2Learn*.

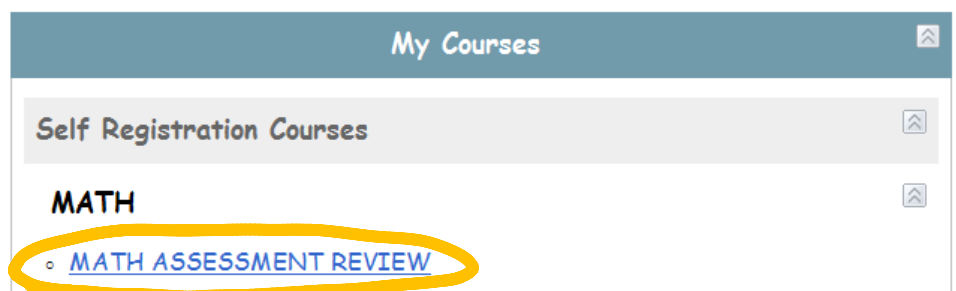

Login to D2L as a temporary guest (Username: **math.student** and Password: **century1**) and click on **MATH ASSESSMENT REVIEW** today. It's easy and **FREE!**
