## COLLEGE OF MANAGEMENT

Metropolitan State University's College of Management (COM) is an associate member of the American Association of Colleges and Schools of Business (AACSB) and follows its curriculum guidelines. The COM offers Bachelor of Science degree programs in accounting, business administration, economics, finance, human resource management, international business, management, management information systems, and marketing. Graduate degrees include a Master of Business Administration (MBA), Master of Public and Non-Profit Administration (MPNA), and Master of Management Information Systems (MMIS).

Currently, Metropolitan State offers the junior and senior-level courses required for the B.S. degree in Business Administration on the Century College campus. These upper-division business courses are taught by Metropolitan State faculty. All required courses are offered in the evening, and selected courses are also available during the day.

### THE METROPOLITAN STATE APPROACH FEATURES:

- Daytime, evening, on-line, and weekend courses
- Study with highly qualified faculty and working professionals from business and industry
- Upper-division study that builds on community college transfer credits
- Students are able to complete the Business Administration, Human Resource Management, Management, and Marketing degrees entirely through online courses.

### GENERAL EDUCATION

- 40 semester credits of general education are required. See the [Metropolitan State General Education](#) Transfer Information sheet.
- [Century's Associate of Arts \(AA\) degree](#) or completed Minnesota Transfer Curriculum (MnTC) fulfills MSU's 40-semester credit general education requirement. (Students will still need to complete eight credits of upper-division liberal studies courses.)
- "D" grades will transfer only for MnTC goal area courses. For other courses, only C- grades and above will transfer.
- Courses that apply to the major must be completed with a grade of C- or higher.
