

MINNESOTA STATE UNIVERSITY

MOORHEAD

Century College students transferring to MSUM have the option of completing MSUM's Liberal Arts and Sciences Curriculum (LASC) requirements with the Century College courses **OR** completing the Minnesota Transfer Curriculum (MnTC) **OR** the Associates of Arts degree. Early transfer is recommended for students majoring in Elementary Education, Art, and Graphic Communications. Please see Century College's [AA degree](#) guide for detailed MnTC requirements. If a student transfers prior to completion of Century College's entire 40 credit MnTC, any MnTC goal completed at Century will be considered completed at MSUM and any single MnTC course completed at Century will automatically transfer into the same MnTC goal at Minnesota State University Moorhead. Course equivalencies for courses transferring from Century College to Minnesota State University Moorhead are available on the Minnesota Course Applicability (MnCAS) website at: www.minnesotacas.org. If planning to transfer before the MnTC or AA degree is completed, students should review coursework with the consultant listed at the bottom of this guide. Students should contact the MSUM department of the major you intend to pursue regarding pre-major requirements or admission to the major. In addition to major requirements, students with an AA or MnTC will also need to complete two courses at MSUM designated as "Writing Intensive" – one course will be in the major and most programs will have the second course designated in the major as well. The MSUM Bulletin and other helpful publications are available by calling the MSUM Admissions Office at 1-800-593-7246 or (218) 477-2161. See a Century College Counselor for more information.
