SPECIAL APPLICATIONS, PREREQUISITES, and HIGH DEMAND for certain PROGRAMS:

Due to the high demand for the career programs listed below, Century College cannot guarantee that a student will be able to start in his or her intended career program immediately upon admission to Century College. In some cases, students' academic plans will need to change, due to limited openings in certain career programs. Special application forms and/or processes are required for the following programs: Automotive Service Technology, Dental Assisting, Dental Hygiene, Kitchen and Bath Design Certification (on-line), Nursing, Orthotic Technician, Orthotic Practitioner, Paramedic, Prosthetic Technician, Prosthetic Practitioner, and Radiologic Technology. Additional program admission information is available at www.century.edu under Future Students; Admissions; and Special Programs.

ENGLISH SKILLS needed for ADMISSION compared with COLLEGE-LEVEL PROGRAMS:

Courses that develop English skills must be completed before a Century College student can gain entrance into college-level courses, numbered 1000 or above. Century College requires for admission the following minimum placement scores: 61 on the TOEFL Internet Based Test (iBT), 500 on the TOEFL Paper and Pencil Test, or course placement at Century College's ESOL 0030's level on the Accuplacer-ESL Test. These minimum placement scores for admission compare with typical "college-level" English proficiency scores of 79 on the TOEFL - iBT (with minimum section scores of 19 for Reading and 21 for Writing), or a score of 550 on the Paper and Pencil version of the TOEFL. (See University of Minnesota Graduate Program requirements, at TOEFL's website www.ets.org, search: TOEFL® iBT Scores Set by Universities and Other Score Users.) With minimum scores, an entering student would typically be enrolled in two full semesters of English for Speakers of Other Languages (ESOL) courses, followed by one or two semesters of mostly developmental/pre-college level English Writing and Reading courses. These pre-college-level courses are numbered below 1000 and provide credits to satisfy visa full-time enrollment requirements, but do not provide credits toward graduation or college transfer. Completion of ESOL and developmental English Writing and Reading skills courses is generally required before a student can register in courses of his or her intended degree program. Century College requires the Accuplacer Assessment Test be taken upon students' arrival on campus. Your placement into Century College courses will be determined by your Accuplacer test scores. For more information, contact Century College's International Admissions Office or see Century's catalog, starting on page 48, for degree and course requirements: <http://www.century.edu/files/centurycatalog.pdf>.

It is the student's responsibility to make sure insurance is renewed every year of attendance. **Century College reserves the right to suspend students who do not comply with this mandatory insurance requirement.** Century College assumes no responsibility for medical expenses. Financial Responsibility Form

(Page 1 of 2)

You must complete the reverse side of this statement and return it with your application. Please attach required documentation along with required official stamps or seals.

Century College requires certification of adequate financial support from applicants with non-immigrant visas. Such a statement must be on file in this office before admissions will be considered. A student must be prepared to pay non-resident tuition rates and fees as well as charges for living expenses at the beginning of each semester. Financial aid is not available to international students.

ESTIMATED COSTS FOR 2009-2010 ACADEMIC YEAR *

These charges are subject to change without notice and the student should be prepared for any adjustment in expenses. At present, estimated expenses for a single undergraduate student are as follows in US dollars: * Tentative costs for the 2009-2010 academic years.

<u>Item</u>	<u>Full Year Cost</u>
Tuition and fees: \$157 per credit *	\$3,768.00 (12 credits x 2 semesters x \$157)
Books, supplies, and fees **	1,000.00 (2 semesters) } <u>subtotal \$5,737</u>
<u>Injury and Sickness Insurance ***</u>	<u>969.00 (12 months)</u>
Room and Board/Food	9,000.00 \
Transportation	2,000.00 } <u>subtotal \$13,500</u>
Miscellaneous/Personal Expenses	<u>2,500.00 /</u>
	\$19,237.00 TOTAL

* **Tuition rates are higher** by \$12 per credit for on-line courses, by \$33 per credit for Nursing discipline courses, and by \$24 per credit for Dental Assisting & Hygiene, Orthotic Technician & Practitioner, and Prosthetic Technician & Practitioner discipline courses. Shown above is the rate for the minimum credit registration required during Fall and Spring Semesters (12+12=24 credits) in general academic discipline courses, including those within the discipline of English for Speakers of Other Languages (ESOL), and those courses numbered below 1000 and considered pre-college level or developmental level. Students often register for more than the minimum number credits during Fall and Spring semesters, and also take Summer Session courses, thus increasing expenses for tuition, fees, books, and supplies beyond the above estimated costs.

** **Tools in trade programs** (Automotive Service, Auto Body, etc) can cost up to \$3500, and are the student's responsibility.

*** **Injury and Sickness Insurance** is required, and needs to be paid for each year prior to course registration. You can view the insurance brochure online at <http://www.studentresources.com/>. At this website, click the upper right direct link "Find My School's Plan." On the next screen, enter "Policy Number" 22-1251-4, and click "Search." Then click on the "Minnesota Community and Technical College" direct link, also on the same page.

Single students must provide evidence of minimum financial support in the amount of \$19,237 to meet expenses for one calendar year in the United States. If applicable, an **Affidavit of Support form**, USCIS Form I-134, available at www.uscis.gov, can be completed to provide evidence of support for Room and Board, Transportation, and Miscellaneous/Personal Expenses, which composes \$13,500 of the total \$19,237 annual costs, leaving \$5,737 to be covered by banking documents. Student who cannot demonstrate that they have sufficient funds will not be admitted to the college.

Students with dependents (married students and students with families) must use the above chart and add \$3,500 for spouse and \$2,500 for each child or other dependent.

Both Student and Financial Sponsor must complete and sign in front of a Notary Public the reverse side of this form. Return this form along with supporting financial documents.
