2011-12 Verification Worksheet

Independent

Your FAFSA application has been selected for "Verification." In this process, Century College compares information from your application with signed copies of your (and your spouse's, if you are married) 2010 Federal income tax returns, or with W-2 forms or other financial documents. The law states we have the right to ask you for this information before awarding Federal aid. If there are differences between your application information and your financial documents, we may send corrections electronically to have your information reprocessed.

WHAT YOU SHOULD DO

Complete **both sides** of this verification form, sign it on the back page, and submit it to the Financial Aid Office along with any required documents as soon as possible. If you have any questions, please contact the Century College Financial Aid Office.
