Campus Security Report – Century College 2007

1. CAMPUS SECURITY:

Century College encourages all students and college community members to be fully aware of the safety issues on the campus and to take action to prevent and to report illegal and inappropriate activities. Personal awareness and applying personal safety practices are the foundation of a safe community.

Pursuant to the Student Right to Know and Campus Security Act, Century monitors criminal activity, publishes this report, and maintains a three-year statistical history of crime reports. The College will distribute a copy of this report to each current student and employee. Century will notify prospective students and employees of its availability, and will provide a copy of the report upon request.

Century College has a variety of policies and procedures relating to campus security and it expressly reserves the right to modify them or adopt additional policies or procedures at any time without notice. Such changes may appear in successive issues of this report.

2. CRIME REPORTING POLICIES:

A. Reporting Policies:

1. The Public Safety Office, located on the East Campus in room 2239 (651-779-3979 or cellular 651-747-4000) is the office to which criminal reports should be made. Everyone on campus (including students, faculty, staff and visitors) are encouraged to report **immediately** any and all potentially criminal activity to the Public Safety Office and/or the White Bear Lake Police Department (West Campus) or Washington County Sheriffs (East Campus). Individuals reporting to Century who also wish to file a complaint with the police will be provided with assistance from the College upon request.

2. Century College normally requires a written complaint from someone to begin the investigation process. Century also usually needs the assistance of the complainant in the disciplinary process against the accused. Century will make exceptions when necessary, including cases presenting clear danger to the victim and/or the college community.

3. Century will issue an annual report of criminal reports made to Public Safety and other law enforcement agencies for crimes occurring on college property or facilities. The annual report includes reported crimes alleged to have occurred on the campus. It includes the following **reports** of crime:

4. The Associate Vice President of Information Technology and Administrative Services serves as the primary liaison for Public Safety with all law enforcement agencies.

5. When reports are made to the Associate Vice President of Information Technology and Administrative Services, the Associate Vice President or other Public Safety personnel on duty will decide if a threat continues to exist to the campus community. If a threat continues to exist, a warning will be sent out informing the campus community.

B. Reporting Procedures:

1. All criminal activity occurring on campus should be reported **immediately** to Public Safety (651-747-4000) and/or to the White Bear Lake Police Department or Washington County Sheriffs. Public Safety will assist the complainant in completing criminal reports. These reports will also be forwarded to the appropriate police department. In appropriate cases, reports will also be shared with the Campus Student Conduct Office. Public Safety will assist the police departments with investigations.

2. Every effort should be made to ensure that physical evidence is maintained and protected. Immediate reports will assist in preserving evidence.

3. If you are a victim of a crime or witness a crime:

a. Call Public Safety (at 651-747-4000) or the White Bear Lake Police Department or Washington County Sheriff (at 911) for any emergency including medical assistance, fires, suspicious people or activities, crime reports, traffic accidents, or other illegal activities;

b. Obtain a description of the offender(s), including sex, age, race, hair, clothing, and other distinguishable features. Attempt to obtain a description and license number of any vehicle involved. Note the direction taken by offenders or vehicles and report those to Public Safety or the police;

c. Preserve the crime scene: Do not touch any items involved in the incident. Close off the area of the incident and do not allow anyone in the crime area until Public Safety and/or police arrive.

4. Public Safety will accept third-party reports in cases of sexual assault in order to protect the victim's identity.

5. All employees, faculty or staff who become aware of an allegation of violation of college policy, student code of conduct, civil or criminal law should report the allegation to their supervisor and Public Safety. The following people with significant responsibility for student and campus activities must report potential criminal activity of which they are aware to Public Safety:

Access Center Coordinator, Admissions Director, Affirmative Action Officer, Athletic Director, Bookstore Supervisor, Career and Placement Services Director, Coaches, Counselors, Deans, Department Chairs, Financial Aid Director, Health Services Director, Nurses, Human Resources Director, President, Registrar, Student Services Directors, Student Life Director, Vice Presidents, as well as any assistants and associates. These individuals should not attempt to investigate, but should instead report and allow Public Safety to investigate.

6. All persons in the Century community are encouraged to assist anyone in reporting alleged criminal activity by contacting Public Safety and/or the White Bear Lake Police Department or Washington County Sheriffs Department, as well as providing assistance in making the report.

7. For medical emergencies, call 911 if life threatening and/or Public Safety for assistance (651-747-4000).

8. Student organizations with control of any facility are encouraged to report safety and security concerns to Public Safety.

9. Counselors are asked to provide information relating to crimes on campus but may continue to honor the confidentiality of victims.

C. College's Response to Reports:

1. All allegations will be investigated. These investigations may be made in conjunction with the appropriate police department.

2. Reports will be classified by the Associate Vice President of Information Technology and Administrative Services in conjunction with the appropriate police agency according to the FBI Uniform Crime Reporting Definitions.

3. When alleged perpetrators are identified as students, the case will be forwarded to the College Student Conduct Officer for investigation and appropriate action. Criminal investigation, arrest and prosecution can occur independently, before, during or after the campus judicial process.

4. The College will issue a timely warning to members of the campus community in cases of reported murder, sex offenses, robbery, aggravated assault, burglary, motor vehicle theft and any hate crimes (manifesting evidence of prejudice based on race, religion, sexual orientation or ethnicity) or murder, forcible rape or aggravated assault, in cases where the Associate Vice President of Information Technology and Administrative Services (or the Associate Vice President's designee) determines there is a continuing threat to the College Community. In such cases, warnings will be published through campus bulletins, flyers on doors, announcements on monitor system, class announcements, e-mail and voice mail.

3. POLICIES CONCERNING SAFETY OF AND ACCESS TO CAMPUS FACILITIES:

A. Personal Security Recommendations:

1. 2. Suspicious people may be:

B. Security Considerations of Campus Facilities.

1. Building access and maintenance:

a. The College campus is for the use of the students, faculty, staff and visitors and those on official business with Century. All others are subject to being charged with trespassing.

b. Access to campus buildings is limited to normal business hours.

c. Students, faculty, staff and visitors are encouraged to report needed repairs to the Vice President of Student Services for all college areas (651-779-3288).

2. Policies and procedures for safe access to buildings:

d. Buildings are normally open from 6:30 a.m. until after evening classes and for scheduled weekend classes and special events. Employees and students in buildings after normal working hours will be questioned and may be asked to leave.

e. Faculty or staff who appear to be the last persons in a building should ask unauthorized people to leave the premises or contact Public Safety (651-747-4000). The building should be secured when the last employee leaves. In areas that have outside windows, employees should close and lock them before leaving the building.

f. On-campus telephones are located in most building entries for emergency calls to Public Safety. These telephones are also capable of dialing 9-911.

g. Problems related to people in buildings after hours should be reported to Public Safety (651-747-4000-leave message) immediately.

4. POLICIES CONCERNING LAW ENFORCEMENT:

A. Public Safety staff are employees of Century College; they are not certified or sworn peace officers. Public Safety staff are authorized, when appropriate, to make a citizen's arrest. Typically, such arrests are made only in the presence of a White Bear Lake Police Officer or Washington County Sheriff.

B. Public Safety works closely with these police departments and state and federal law enforcement agencies to track and respond to campus criminal activity.

C. Report all crime immediately:

All criminal activity on campus should be reported immediately to Public Safety (651-747-4000) and/or the appropriate police department.

1. Century will assist the complainant in completing criminal reports.

2. Century will accept third party reports in certain cases, such as sex offenses. Century prefers to receive reports from the victim, as the detail is often more accurate when received directly from the victim.

3. Maintain all physical evidence. Do not wash off or destroy what may be critical evidence.

D. Report as much detail as possible to ensure accurate reporting. If you are a victim of a crime, your immediate recall of the event is often the best. Write down as much information as you can remember after a crime. If you cannot identify the perpetrator by name, try to recall as many details as possible, including:

1. Gender
2. Approximate age
3. Height
4. Weight/build
5. Description of face including eye color, hair color, hair style (short, curly, etc.), jaw, nose

7. MONITORING AND RECORDING ACTIVITY AT OFF-CAMPUS LOCATIONS:

A. All Century recognized organizations that are off-campus will still be monitored by the local police departments. Just because a facility or organization is located off-campus (i.e. conference or class) does not mean that activity at that location is not monitored. Such activity is monitored by the local police departments which shares information with Century.

B. Century includes the off-campus student organizations' crime statistics in its annual report as part of the crime at Century.

8. POLICY REGARDING THE ILLEGALITY OF ALCOHOLIC BEVERAGES ON CAMPUS AND ENFORCEMENT OF UNDER-AGE DRINKING LAWS:

A. Century forbids the use (consumption), possession, manufacture, sale, transportation or furnishing of alcoholic beverages on campus. Century also forbids the maintenance of unlawful drinking places on campus.

This prohibition of possession or consumption of alcoholic beverages on campus applies regardless of age. The only exception is authorized use for special (non-student) functions. Only the President may authorize such programming use.

B. Century enforces the Minnesota drinking laws, including the prohibition of use by persons under 21 years of age, and College policy. Possession or consumption of alcohol on campus is prohibited by Century and may result in a student disciplinary complaint.

C. If the accused is not cooperative or is underage, the police may be called to assist.

9. POLICY REGARDING THE ILLEGALITY OF DRUGS ON CAMPUS AND THE ENFORCEMENT OF FEDERAL AND STATE DRUG LAWS:

A. Century forbids the possession, use, or sale of illegal drugs (other than by a doctor's prescription) on campus. This includes but is not limited to possession, sale, use, growing, manufacturing and making of narcotic drugs.

B. Century enforces both Minnesota and Federal drug laws regarding the use, possession, and sale of illegal drugs.

10. DRUG AND ALCOHOL ABUSE EDUCATION PROGRAMS:

The purpose of this policy is to set forth the College's policy regarding alcohol and other drug use, including unlawful drug use or abuse in the workplace in accordance with the Drug Free Workplace Act of 1988 (Public Law 100-690, Title V, Subtitle D) and Drug Free Schools and Communities Act Amendments of 1989 (Public Law 101-226). The Drug and Alcohol Free Campus Policy is on page 13 of this publication.

The College recognizes the reality of chemical dependency and is aware of its occasional presence in the college community. As a safeguard against this dependency, numerous campus organizations provide prevention programs to the Century College community.

The College encourages and provides reasonable assistance to any student, faculty or staff member who seeks information on chemical dependency or treatment for chemical dependency. Various departments, including Public Safety, College Health Service, Counseling, and Human Resources, provide information and referral to prevention programs for those seeking help with substance abuse.

11. POLICY REGARDING SEXUAL ASSAULT PROGRAMS AND PROCEDURES:

A. Policy

1. Century's policy on sexual abuse is governed by the Minnesota State Colleges and Universities System's policy. In support of the system policy, Century reaffirms the policy that sexual abuse will not be tolerated. Every effort will be made to assure that all members of the college community are provided an atmosphere free from sexual abuse. To prevent sexual abuse educational efforts will be undertaken to inform employees and students of their responsibilities regarding such behavior, how to identify and eliminate potential sexual abuse and what steps can be taken if instances of sexual abuse are experienced.

2. Century conducts a number of programs aimed at preventing sexual offenses and making the community aware of the potential of such crimes. These programs include evening security patrols of the campus, providing escorts, inspecting the campus for potentially dangerous areas and implementing programs to inspect campus lighting and shrubbery. In addition, educational programs concerning sexual assault awareness are provided by the harassment officer, College Health Service and Counseling offices.

3. A guiding principle in the reporting of sexual assault is to avoid re-victimizing the sexual assault survivor by forcing the person into any plan of action. Sexual assault survivors may contact any one of several Century departments or community services for assistance. The following resources provide immediate aid or on-going consultation for survivors of sexual assault.

Emergency Numbers:

Public Safety: (651) 747-4000

Counseling Center: (651) 779-3285

College Health Service: (651) 779-3954

Harassment Officer: (651) 773-1780

White Bear Lake Police: (651) 429-8511

Washington County Sheriff: (651) 439-9381

B. Procedure:

1. **Contact Public Safety (651-747-4000) as soon as possible after the offense. Please remember it is most important to preserve evidence.** Do not bathe, douche, use the toilet, or change clothing. Note everything about the location. If you have been raped, you should seek medical attention immediately regardless of whether you report the matter to the police.

2. Every attempt is made to maintain the anonymity of the sexual assault survivor. Every attempt will be made not to release names to the media. Unless requested by the sexual assault survivor, names and addresses of survivors are released to the Police Department. Public Safety will attempt to provide support and advice for sexual assault survivors. Each report of sexual assault will be investigated in order to provide better protection to the survivor of a sexual assault and all members of the campus community. Sexual assault survivors should be aware of the need of the College to release information regarding the fact that an assault has occurred for the protection and safety of others.

3. The Public Safety Office will be the office of official record for reports of sexual assault, as it is in all reported law violations. Students, faculty and staff are encouraged to contact the Public Safety Office to report any information regarding assaults.

4. Sexual assault survivors have the right to have reports made anonymously (third party) to the police department. Public Safety will assist the survivor in making this report if the survivor so wishes. In these situations, the name of the complainant will not be forwarded. Third party reports may prevent the College and police department from actively investigating the criminal activity.

5. Counseling and medical services are available both on and off campus. If you are the victim of a sexual assault, Century encourages you to contact one or more of the following:

Century Counseling Center: (651) 779-3285

Century Health Service: (651) 779-3954

Harassment Officer: (651) 773-1780

6. If the Associate Vice President of Information Technology and Administrative Services (or a designee) determines that a threat continues to exist for the community, information about the reported sexual assault will be reported to the campus community whether reported by a sexual assault survivor or through a third-party report. As much detail as possible regarding location, date and time of the assault, and any information which might help identify the assailant will be reported. The Public Safety Office will inform the campus community of the reported sexual assaults by posters, appropriate notices, monitors, e-mail and voice mail.

7. Each report will be taken as presented by the complainant. Appropriate criminal classifications will be determined after a review of all facts by City Police/Sheriff Department personnel.

8. The College will take appropriate action to safeguard the alleged survivor and, at the same time, protect the rights of the alleged perpetrator. If the survivor of a sexual assault requests, the College will attempt to provide, if reasonably available, a change in classes.

9. The College will normally not take any disciplinary action against a member of the campus community without a written complaint and the assistance of the complainant in the disciplinary process, unless the College determines there is a clear danger to the victim or the college community.

C. Procedures for Campus Disciplinary Action for Sex Offenses:

1. The College disciplinary process is an option for any person wishing to report a case of student misconduct. In order for Century to proceed, a written complaint (whether by the victim or a third party) must be filed with the Student Conduct Officer (651-773-1780). If the complaint is criminal in nature, it will also be forwarded to Public Safety and law enforcement.

2. There are different standards of proof in the student conduct proceeding than in the possible criminal action. The student conduct proceeding determines whether the accused's status as a student will be altered, whereas the criminal process determines if there will be limitations on the accused's liberty. As there are different standards and the purpose of each proceeding is different, Century encourages students who are the victims of sexual assault to go forward with the college process.

3. Both the accuser and the accused are entitled to have others present (an advocate or advisor) during the disciplinary proceeding. This person may not, however, speak in your place or ask questions of witnesses.

4. Both the accuser and the accused have the right to call a reasonable number of witnesses during the hearings to testify on their behalf. The witnesses may be asked questions by the other party.

5. Both the accuser and the accused have the right to request in advance the names of witnesses and shall have the right to question witnesses during the hearing.

6. Both the accuser and accused shall be informed of the outcome of the college disciplinary proceeding concerning the complaint of sexual offense. Generally, this information should not be disclosed to the public.

7. Sanctions following a college disciplinary proceeding include but are not limited to expulsion or suspension.

Century College will not tolerate harassment, discrimination or sexual violence toward its students, faculty or staff. In all it forms, harassment, discrimination, sexual violence and assault violate fundamental rights and the law giving cause for disciplinary action, including dismissal or expulsion.

Century has established policies and procedures to handle such incidents in a timely manner. If you see or experience harassment, discrimination or assault at Century, please report the incident. Supervisors are charged with promoting and maintaining an atmosphere which properly deters and responds to harassment, discrimination and sexual violence. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment or education, evaluation of a student's academic performance, or term or condition of participation in student activities or in other events or activities sanctioned by the college or university; or
2. Submission to or rejection of such conduct by an individual is used as the basis for employment or academic decisions or other decisions about participation in student activities or other events or activities sanctioned by the college or university; or
3. Such conduct has the purpose or effect of threatening an individual's employment; interfering with an individual's work or academic performance; or creating an intimidating, hostile, or offensive work or educational environment.

Sexual harassment may occur in a variety of relationships, including faculty and student, supervisor and employee, student to student, employee to employee, and other persons having business with or visiting the educational environment. Sexual

harassment may occur when it is directed at members of the opposite gender or when it is directed at members of the same gender. It includes, but is not limited to:

- unwelcome pressure for sexual activity;
- unwelcome, sexually motivated or inappropriate patting, pinching, or physical contact; physical contact may be appropriate, if necessary to restrain individuals to avoid physical harm to persons or property;
- demands for sexual favors or promises of preferential treatment with regard to an individual's employment or educational status accompanied by implied or overt threats concerning an individual's employment or educational status; or
- unwelcome behavior or words of a sexual nature directed at an individual because of gender.

Subpart C. Sexual violence: Acts of sexual violence are criminal behaviors and create an environment contrary to the goals and missions of the system and colleges and universities. Acts of sexual violence include:

1. Forcible acts, which include non-consensual sexual contact, and/or sexual contact in which the victim is incapable of giving consent (such as when the complainant is under the influence of alcohol or drugs);
2. Non-forcible sex acts such as incest and statutory rape; and
3. The threat of an act of sexual violence. Sexual violence may include, but is not limited to:
 - touching, patting, grabbing, or pinching another person's intimate parts, whether that person is of the same sex or the opposite sex;
 - coercing, forcing, or attempting to coerce or force the touching of anyone's intimate parts;
 - coercing, forcing, or attempting to coerce or force sexual intercourse or a sexual act on another; or
 - threatening to force or coerce sexual acts, including the touching of intimate parts or intercourse, on another.

Subpart D. Sexual harassment and violence as sexual abuse. Under certain circumstances, sexual harassment or violence may constitute sexual abuse according to Minnesota law. In such situations, the system office and colleges and universities shall comply with the reporting requirements in M.S. Section 626.556 (reporting of maltreatment of minors) and M.S. Section 626.557 (Vulnerable Adult Protection Act). Nothing in this policy will prohibit the system office or any college or university from taking immediate action to protect victims of alleged sexual abuse.

Subpart E. Nonconsensual Relationships. Substantial risks are involved even in seemingly consensual romantic/sexual relationships where a power differential exists between the involved parties. The respect and trust accorded a faculty member or other employee by a student, as well as the power exercised by faculty in giving grades, advice, praise, recommendations, opportunities for further study or other forms of advancement may greatly diminish the student's actual freedom of choice concerning the relationship. Similarly, the authority of the supervisor to hire, fire, evaluate performance, reward, make recommendations, assign and oversee the work activities of employees may interfere with the employee's ability to choose freely in the relationship. Further, it is inherently risky where age, background, stature, credentials or other characteristics contribute to the perception that a power differential exists between the involved parties which limits the student or employee's ability to make informed choices about the relationship.

Claims of a consensual romantic/sexual relationship will not protect individuals from sexual harassment charges nor guarantee a successful defense if charges are made. It is the faculty member, supervisor or staff who will bear the burden of accountability because of his/her special power and responsibility, and it may be exceedingly difficult to use mutual consent as a defense. Therefore, all employees should be aware of the risks involved in entering into a romantic/sexual relationship where there is a superior/subordinate relationship.

Sexual Orientation Discrimination/ Harassment

Part 3: Definitions.

Subpart A. Sexual orientation discrimination is prohibited by state law. Sexual orientation discrimination is defined as conduct that is directed at an individual because of his/her sexual orientation and that subjects the individual to different treatment by agents or employees so as to interfere with or limit the ability of the individual to participate in, or benefit from, the services, activities, or privileges provided by the system, colleges and universities or otherwise adversely affects the individual's employment or education.

Subpart B. Sexual orientation harassment is a form of sexual orientation discrimination which is prohibited by state law. Sexual orientation harassment is defined as verbal or physical conduct that is directed at an individual because of his/her sexual orientation and that is sufficiently severe, pervasive or persistent so as to have the purpose or effect of creating a hostile work or educational environment. Sexual orientation harassment may occur in a variety of relationships, including faculty and student, supervisor and employee, student and student, staff and student, employee and employee, and other relationships with other persons having business at or visiting the educational environment.

Disability Discrimination/Harassment

Part 4: Definitions.

Subpart A. Disability discrimination is prohibited by state and federal law. Disability discrimination as defined by law is conduct that is directed at an individual because of his/her mental/physical disability or that of his/her spouse and that subjects the individual to different treatment by agents or employees without legitimate non-discriminatory reason so as to interfere with or limit the ability of the individual to participate in, or benefit from, the services, activities, or privileges provided by the system or colleges and universities or otherwise adversely affects the individuals employment or education.

Subpart B. Disability harassment is a form of discrimination which is prohibited by state and federal law. Disability harassment is defined as verbal or physical conduct that is directed at an individual because of his/her mental/physical disability or that of his/her spouse and that is sufficiently severe, pervasive, or persistent so as to have the purpose or effect of creating a hostile work or educational environment. Disability harassment may occur in a variety of relationships, including faculty and student, supervisor and employee, student and student, staff and student, employee and employee, and other relationships with other persons having business at or visiting the educational environment.

DRUG AND ALCOHOL-FREE CAMPUS POLICY

The standards of conduct at Century College clearly prohibit the unlawful possession, use or distribution of drugs and alcohol by students and staff on the campus premises or in conjunction with any college-sponsored activity or event whether on- or off-campus.

The College will take steps to educate its community regarding the health risks associated with alcohol and drug abuse. Appropriate referrals to counseling and health agencies will be made to individuals as needed.

The College will impose **sanctions** on students and employees who violate this policy. Disciplinary action may include, but is not limited to, the following:

- completion of an education program;
- completion of community service hours;
- referral to the Counseling Center or other appropriate department;
- suspension or separation from the College;
- referral to law enforcement agencies for prosecution of felony, gross misdemeanor or misdemeanor charges;
- expulsion from the College.

Legal Sanctions

Where appropriate, drug and alcohol violations are referred to law enforcement officials for prosecution. Federal and state sanctions for illegal possession of controlled substances range from up to one year imprisonment and up to \$100,000 in fines for a first offense, to three years imprisonment and \$250,000 in fines for repeat offenders. Additional penalties include forfeiture of personal property and the denial of federal student aid benefits. Under federal laws, trafficking in drugs such as heroin or cocaine may result in sanctions up to and including life imprisonment for a first offense involving 100 gm or more. Fines for such an offense can reach \$8 million. First offenses involving lesser amounts, 10-99 gm, may result in sanctions up to and including 20 years imprisonment and fines of up to \$4 million. A first offense for trafficking in marijuana may result in up to five years imprisonment and fines up to \$500,000 for an offense involving less than 50 kg, and up to life imprisonment and fines up to \$8 million for an offense involving 1,000 kg or more. The State of Minnesota may impose a wide range of sanctions for alcohol-related violations. For example, driving while intoxicated (blood alcohol content of .10 or more) may result in a \$700 fine, 90 days in jail, and/or revocation of driver's license for 30 days. Possession of alcohol under age 21 or use of false identification to purchase alcohol results in \$100 fine. Furnishing alcohol to persons under 21 is punishable by up to a \$3,000 fine and/or one year imprisonment.

Financial Aid Suspension:

A student convicted of any federal or state law for the possession or sale of drugs is ineligible for financial aid as follows. For drug possession, the ineligibility period is one year for the first offense, two years for the second offense, and indefinitely for the third offense. For drug sale, the ineligibility period is two years for the first offense and indefinitely for the second offense. Eligibility may be restored if, during the ineligible period, the student satisfactorily completes a drug rehabilitation program that meets criteria determined by the Federal Government, and includes two unannounced drug tests.

Definition:

Except as allowed by Minnesota Statute 624.71, students or employees shall not introduce upon or have possession upon any college campus, or while involved in a college activity, service, project, program or work situation, any **alcoholic beverage** as defined in Minnesota Statute 340A.

Such employee is under the affirmative duty to immediately notify his/her supervisor that he/she is not in appropriate mental or physical condition to operate, use or drive college equipment.

Employees are discouraged from consuming alcoholic beverages during lunch or dinner meals when returning immediately thereafter to perform work on behalf of the College. Any employee whose condition or behavior adversely affects his/her work performance shall be subject to possible discipline, up to and including discharge.

Supervisors shall notify the Director of Human Resources before notifying appropriate law enforcement agency when they have reasonable suspicion to believe that an employee may have illegal drugs in his/her possession at work or on college premises. When appropriate, the College shall also notify licensing boards.

Disclosure of Offenses:

Institutions of higher education are permitted to disclose to parents or legal guardians of a student under the age of 21 years information regarding the violation of any federal, state, or local law, and institutional disciplinary rule or policies related to the use or possession of alcohol or a controlled substance.

Academic Honesty

The primary academic mission of Century College is the exploration and dissemination of knowledge. Academic honesty and integrity are integral to the academic process. Academic dishonesty is a serious offense which undermines the educational process and the learning experience for the entire College community.

It is expected that Century College students will understand and adhere to the concept of academic integrity and to the standards of conduct prescribed by the College's Academic Honesty Policy. It is expected that each student will assume responsibility for his/her work and that materials submitted in fulfillment of course, program, and college academic requirements must represent the student's own efforts. Any act of academic dishonesty attempted by a student at Century College is unacceptable and will not be tolerated.

Definitions

The prevailing forms of academic dishonesty are cheating, plagiarism, collusion, and the submission of false information. Academic Dishonesty is not limited to the context of a course but can also occur during the admission or readmission process, assessment testing and submission of academic and Student Services appeals or petitions.

A. Cheating in the instructional setting is the unauthorized use or exchange of information by students for the purpose of meeting academic standards or requirements; examples include, but are not limited to, the following:

1. Copying for other's work during an examination
2. Using unauthorized notes or aids during an examination
3. Taking an examination for another student
4. Collaborating with any other person during a test without authority
5. Using or giving unauthorized assistance on a take home examination, assigned physical work, projects or any other academic work
6. Arranging for another student to take an examination
7. Attempting to obtain, or knowingly obtaining, using, buying, selling, transporting, or soliciting in whole or in part, the contents of an unreleased test or information about an unreleased test
8. Unauthorized supplying or bribing any other person to obtain an unreleased test or information about an unreleased test
9. Submitting substantial portions of work for credit in more than one course, without consulting the instructors
10. Submitting research and assignments prepared by others (e.g. purchasing the services of a commercial term paper company)
11. Altering or forging an official College document.

B. Plagiarism is representing another person's words or ideas as one's own without proper attribution or credit. Other people's words or ideas must be given adequate documentation whether used in direct quotation or in summary or paraphrase. Plagiarism includes, but is not limited to, quoting written or oral materials without citation on an exam, term paper, homework, or other written materials or oral presentations for academic requirements; submitting a paper as one's own that is purchased from a term paper service, downloaded from the Internet or taken from any other source; or submitting anyone else's work as one's own. Any form of plagiarism constitutes an act of Academic Dishonesty.

C. Collusion is an agreement by two or more people to commit an act of academic dishonesty. The College will not attempt to distinguish between students who cheat or plagiarize and those who assist in such actions. A student who intentionally assists another in the act of cheating or plagiarism is subject to disciplinary action for academic dishonesty.

D. Submission of False Information includes false testimony, names, and addresses, as related to the admission process, readmission, assessment testing or academic and Student Services appeals or petitions.

Procedures

A course instructor, convinced that an act of academic dishonesty has occurred, has the authority to implement any of the following responses:

- A. Reprimand
- B. Assignment of substitute and/or additional work
- C. Reexamination
- D. Lowering the grade for the assignment and/or course
- E. Failure and/or dismissal from the course
- F. Failure and/or dismissal from the program

In the instances of supplying false information regarding the admission process, readmission, assessment testing and academic and Student Services appeals or petitions, the process shall revert to Section 1, The Code of Student Conduct.

Procedures, definitions, the appeals process and sanctions are described in the Student Conduct and Academic Honesty Policy (3.6.1) available in the Counseling Center, room 2410 west campus and online at <http://www.mnscu.edu/board/policy/306.html> Also, for more information, see the Student Conduct Coordinator, room 2252 west campus, or call (651) 773-1780.

STUDENT COMPLAINT/GRIEVANCE POLICY

Student Complaint Process (Unfair Treatment by College Employee)

A student may file a *complaint* (an oral claim) concerning alleged improper, unfair, arbitrary or discriminatory treatment and discuss it with the appropriate employee or with the employee's supervisor. This is the first step in the formal process.

Student Grievance Process (Policy Violation)

In order to initiate a *grievance* (formal written claim), a student may carry an official grievance through three steps, if necessary:

- Step 1: To the employee being grieved - - This step is encouraged but not required.
- Step 2: To the appropriate supervisor to whom that employee reports.
- Step 3: To the College President - - This is the final step in the appeal process.

However, if the violation involves a MnSCU Board policy, a student may carry the grievance to a fourth step:

- Step 4: To the Chancellor - - The decision of the Chancellor is final and binding.

Any time an unsatisfactory answer is given, a student has five working days to present the grievance at the next step (if not presented in five working days the last answer stands and the grievance can go no farther). Initially, the student has twenty working days to start the process. By mutual agreement, time limits may be waived.

Procedures and forms are part of the policy. Copies are available in the Counseling Center, room 2410 west campus and online at <http://www.mnscu.edu/board/policy/308.html> Also, for more information, see the Associate Dean of Student Life, room 2252 west campus, or call (651) 773-1780.

STUDENT RIGHT TO KNOW GRADUATION AND TRANSFER –OUT RATES

What is Student Right-To-Know?

Student Right-To-Know is a federal law that requires all colleges and universities to disclose certain information to students. This handout provides the information that a college must provide to students on graduation rates and transfer-out rates for full-time students seeking degrees at Century College.

What is graduation rate and what is transfer-out rate?

Federal regulations specify how to calculate the graduation and transfer rates. The rates come from a study of Century students who started at the college in the fall of 2003. The study includes all first-time students who were enrolled full-time that fall and were seeking to earn a degree, diploma or certificate at the college. The **graduation rate** is the percentage of these students who graduated from Century within three years. The **transfer-out rate** is the percentage of these students who did not graduate from Century, but instead transferred to another college or university within three years.

What do I need to know about these rates?

These rates do not report on all students at Century. The 1,287 first-time, full-time students in the study were 15 percent of all students enrolled at Century in fall of 2003.

What are the graduation and transfer-out rates for Century students and how do they compare to rates for other colleges?

- The **graduation rate** for Century was 12 percent. Twin Cities area community and technical colleges had an average graduation rate of 15 percent.
- The **transfer-out rate** for Century was 31 percent. Twin Cities area community and technical colleges had an average transfer-out rate of 26 percent.
- The combination of the graduation rate and the transfer-out rate for Century was 43 percent. Twin Cities area community and technical colleges had a combined rate of 42 percent.

Why don't more Century students graduate or transfer in three years?

- Since Century has an “open door” mission, many new students need to take “developmental” courses to improve their reading, writing or math skills before taking other college courses;
- Students who switch from full-time to part-time enrollment or “stop out” for one or more semesters are more likely to take more than three years to graduate;
- Some students take jobs before they graduate;
- Other students delay their education for personal, family or financial reasons.

DROPPING/WITHDRAWING FROM CLASSES AND REFUND POLICY

Dropping/Withdrawing from class

The **"drop"** period takes place through the first five (5) days of fall and spring terms and the first three (3) days of summer session. If a class starts after the first week of the term, a student may attend one class, but must drop within 24 hours. Students are given 100% refund for classes they drop within the stated deadlines, and the registration does not appear on the student's transcript. Check the schedule for each term for the exact deadlines to drop.

After the drop period has concluded, if you do not wish to continue taking a class, you must **"withdraw"** from it. You receive a grade of "W" in classes from which you withdraw and a "W" remains on your transcript. Only students who totally withdraw from all classes may qualify for a refund. See Refund Policy for details.

- "W" grades do not affect your grade point average (GPA)
- "W" grades do affect your completion rate (67% completion rate is required – see Chapter 4, Standards of Academic Progress in the college catalog)

How to Drop/Withdraw from a class
