

## Transfer Guidelines for Century College

### **About the College of St. Catherine**

Located in St. Paul, the College of St. Catherine has a superb reputation and is the nation's largest catholic women's college, educating students to lead and influence. It offers over 30 major fields of study, including more than 70 different areas of concentration. The Weekend College option offers degrees in 13 major fields by attending courses every other weekend. Our Minneapolis campus is a two-year, co-educational institution specializing in health care and human services. Look for more information located in the private college filing area of the Century counseling center.

### **Transferring Credit**

Although completing the Minnesota Transfer Curriculum or an AA/AS degree at Century will not in itself satisfy the core curriculum requirements at St. Catherine, these courses generally transfer and will be evaluated individually. Please review the attached Course Selection Guide to ensure you are choosing Century courses that will fulfill St. Catherine requirements. This course guide is intended only for students pursuing a bachelor's degree: Students planning to attend an associate degree program on CSC's Minneapolis campus will have different requirements. CSC Admission counselors are more than happy to meet with you to evaluate your transcripts, explain how your courses meet CSC requirements, and make recommendations for registration at Century.

Previous college coursework must be at the college level (1000-level or higher) and a grade of C- or better must be earned. Pass grades are accepted. There are not a maximum number of credits that will transfer to St. Kate's, however; a minimum of 48 credits in residence must be completed at CSC for students who transfer in 57 or more credits. For students who transfer in less than 57 credits, a minimum of 64 credits must be completed at CSC.

### **Applying to Baccalaureate Programs**

St. Catherine has "rolling admission" and therefore there is no application deadline. A minimum 2.0 GPA is required. Students must submit an application, application fee, and official transcripts from each high school and university. ACT, SAT, or PSAT scores are not required for admission. Students interested in Nursing have an early "petitioning" deadline of March 1<sup>st</sup>. Contact a counselor at St. Kate's to plan your transfer.

### **Transfer Scholarships for Baccalaureate Students**
