Other required business courses are at the upper division level (numbered 300 or above) at St. Thomas. Therefore, lower division courses (numbered 1000-2990) will not fulfill business major requirements. A great number of lower division business electives will not benefit the student pursuing a St. Thomas business degree. St. Thomas requires 76 semester credits outside the business major, and 132 semester credits total for graduation.

The Opus College of Business offers bachelor's degrees in Business Administration with concentrations in:
