

TRANSFER WITH CENTURY'S AA DEGREE:

Students who have earned the Associate in Arts degree or the Minnesota Transfer Curriculum (MnTC) will be considered to have fulfilled Bemidji State University's liberal education requirements.

TRANSFER WITHOUT CENTURY'S AA DEGREE:

Students who transfer prior to completion of an AA degree or Century's 40 credit MnTC, will have all courses evaluated as to how they meet the BSU liberal education requirements. If an individual MnTC goal was completed at Century or another MnSCU institution, the goal is deemed complete at BSU. Individual courses will transfer into the same MnTC goal as was awarded by the college where they were taken. The student must then complete courses at BSU, to complete any remaining liberal education requirements.

Bemidji State University's Liberal Education Requirements -- Select courses for each category from the corresponding goal on Century's list of MnTC courses. This list is available in the Century College Counseling Center or on Century's website at www.century.edu/files/centurycatalog/pdf . A minimum of 42 semester credits is required with at least 40 credits in Categories 1 through 10.

Category 1: Communication – ENGL 1021, ENGL 1022

Category 2: Critical Thinking -- Requires completion of the rest of the Liberal Education program. No specific course is required.

Category 3: Natural Science – two courses, including 1 with lab, 7 or more credits

Category 4: Mathematics/Logical Reasoning -- one course, 3 or more credits

Category 5: History and the Social and Behavioral Sciences – two courses, 5 or more credits

Category 6: Humanities and the Arts -- two courses

Category 7: Human Diversity in the United States – one course, two or more credits

Category 8: Global Perspective — one course, three or more credits

Category 9: Ethical and Civic Responsibility – one course, two or more credits

Category 10: People and the Environment -- one course, three or more credits

Category 11: Performance and Participation – one course, one or more credits (waived with a completed AA degree or MnTC.) MUSC 1000-1017, PE 1000-1070, THTR 1010, 1020

Courses listed in two categories may be used to meet the requirement in both categories. However, the credits may be counted only once toward the total. If credits taken do not total 42, the student must take additional credits (from any Liberal Education category) with a minimum of 40 credits in Categories 1 through 10.

ADMISSION REQUIREMENTS:
