

Recommended Pre-Engineering Courses Available at Century:

All Engineering Majors

Chem 1041
Math 1081, 1082, 2082
Phys 1081, 1082
Engr 2091

Electrical Engr.

Math 2081
Engr 1080, 2092, 2095

Computer Engr.

CSci 2011, 2012, 2020*, 2040
Engr 2092, 2095
*Strongly suggested to complete at Century

Civil Engr.

Math 2081
Engr 1080, 2080

Mechanical Engr.

Math 2081
Engr 1020, 1080, 2080, 2095

Required General Education Courses:

Engl 1021; Econ 1021 or 1023; Spch 1021

Students choose an additional 6-7 credits from the Humanities category and 6-7 credits from the Social & Behavior Science area of the Mankato General Education Guide. At least three of the 13 credits must be at the 300 level or above and must follow a lower level course in the same subject area. Because not all courses in the humanities and social and behavioral sciences are acceptable, students are encouraged to consult with MSU faculty in the specific engineering department about acceptable courses. Do not select "skills" classes such as art studio or music performance.

Notes:

- Students doing pre-engineering coursework for Mankato at Century would not normally complete the Associate in Arts degree or Minnesota Transfer Curriculum at Century as doing so would result in extra credits that will not fit in the Bachelor's degree.
- A cumulative grade point average of 2.5 for all science, math, and engineering courses must be maintained to be accepted into an engineering major. Grades must be a C or higher.
- Students should submit a general application to MSU by February 15 for Fall admission.
