- Course requirements and prerequisites may change. Please consult with an adviser on a regular basis.
- Approval from the PT admissions chair is necessary in order to take any prerequisite course work through independent distance learning (IDL). No course work with a lab can be taken IDL.
- Advanced Placement (AP) credit for prerequisite course work needs to be approved by the PT admissions chair and can be taken on an S/N grading basis.

(over)

OTHER REQUIREMENTS

1. Accepted applicants must complete their undergraduate degree and prerequisites by June 1 of the year of entry.
2. The program will consider resident and non-resident as well as international applicants.
3. An operational standard GPA of 3.00 for overall coursework and a 3.00 in the prerequisite coursework are the preferred minimum as indications of probable success in the Program.
4. It is highly recommended that all prerequisite science courses be taken no more than 5 years prior to application.
5. All prerequisites must be taken A-F, unless receiving Advanced Placement credit, with a minimum acceptable grade of "C".
6. Students must submit the following upon application to the Physical Therapy Program:
 - Current official transcripts from all colleges and universities attended.
 - Two letters of recommendation on forms provided. One recommendation must be from a physical therapist, with whom the applicant completed a portion of the PT exposure hours.
 - Completion of at least 100 hours of shadowing, volunteer, or work experience in a variety of physical therapy settings is considered an important pre-requisite.
 - Official scores from the Graduate Record Examination (GRE) – general exam.
 - Students for whom English is a second language must submit TOEFL scores. Internet based minimum scores: 79 or above with section scores of 21 on writing and 19 on reading; paper based test – 550 or above.
Call 612/624-9853 for information about GRE exams.
7. Information about the PT professional program can be obtained from:
<http://www.phyther.umn.edu>

NOTE: Minnesota law now requires that any person who has direct contact with patients and residents at hospitals, nursing homes, and other health care facilities licensed by the Minnesota Department of Health have a background study conducted by the state. Therefore, every student admitted to the program will be subject to a criminal background check.

HOW TO APPLY

The Program in Physical Therapy application is completed online (choose "Apply Online" on the PT web page) and does not have an application fee. Only online PT applications are accepted. We use a ROLLING ADMISSIONS PROCESS. Each admission cycle runs from July 1 through March 31. However, priority is given to applications completed by February 1. Each application will be considered as it is received.

Students are required to submit an additional application to the Graduate School prior to final acceptance into the program. The Graduate School application can be completed online and has a \$75.00 processing fee (\$95.00 for international applicants). There is a link to the Graduate School application on the PT web page.
