

**What is PPLP?** Performance Plus Learning Partners (PPLP) is a unique membership program providing a flexible and cost-effective way to partner with **Century College** to train employees. Purchase one or more seats between September and June, and then assign classes to different staff members relative to the content of each individual training session.

**Why be a member?** Our courses offer businesses/agencies an opportunity to:

- **Get your employees the training they need**, or the training they're asking for
- **Learn skills** you need on a timetable that fits the individual and organization
- **Learn from knowledgeable instructors** experienced in teaching adult learners

### Program Overview

- A partnership is September 1 - June 30
- Pay an annual per-seat membership fee
- Each seat allows you to send one employee to courses for the program year
- Seats are assigned to the business/agency, not to individuals
- Seats can be filled with different staff members relative to content of individual training sessions
- Classes take place in-person at Century College and online via Zoom or Microsoft Teams

### Benefits

- Empower and engage employees, improving performance and collaboration
- Increase employee skills and knowledge
- 50-60 varied class options offered per semester
- Courses are flexible, convenient, and cost-effective
- HR/training managers can create a year-long PPLP plan for employees
- Century College provides participation reports through the year
- Certificate programs available for professional development
