

Automotive Service Technology

Program Admission and Registration Guide

Welcome to the Automotive Service Technology Program (AST).

All new students to the AST program are required to attend a **Program Orientation**. The dates and times will be provided at the *College Orientation/Registration Session*. You must attend a College Orientation and be registered for the program *prior* to attending a *Program Orientation*.

Review the program web page: <https://www.century.edu/programs/automotive-service-technology>

If you have questions regarding the program or any of the information listed, please contact a program instructor.

Program Orientation Dates and Times:

The dates and times will be provided at the *College Orientation/Registration Session*.

Program Orientation Location:

East Campus, Room E1561

Important Information:

Please check your e-mail on a regular basis for important communications.

The program orientation will take approximately 1.5 – 2.0 hours to complete.
