Century College

Entry-Level Healthcare Careers

Century College is known for our excellence in entry-level healthcare training. Our graduates average a 95 percent pass rate and can be found working in every hospital and clinic in the Minneapolis/St. Paul metro area, and beyond. We have a 45-year history and proven track record for providing hands-on, short-term training, as well as exam certification preparation to meet and exceed the needs of a growing and demanding healthcare industry.

**COMPREHENSIVE TRAINING** to provide foundational and core skills needed to succeed.

**REAL-WORLD EXAMPLES** that are relevant, current and practical.

**HANDS-ON EXPERIENCE** in clinical settings connecting students to patients and employers.
