Credit by Exam (CBE)/Test Out

Credit by Exam (CBE) is a process where students may demonstrate that they meet course requirements by successfully passing an examination. Exams are provided at the discretion of Century College faculty and may not be available for all courses.

Students are responsible for arranging the exam by following the required procedures and obtaining signed authorization from the course instructor and a Credit for Prior Learning Specialist. CBE cannot be used for courses previously taken/started.

Listed below are examples of Century courses for which you may complete CBE. Approval of faculty is required for all CBE. Exams are \$75 per credit.
