Notes: 56
To receive a scholarship, you must be in good academic standing. You must submit at least one written letter of recommendation and provide all requested information. If you are awarded a scholarship, you must sign an acceptance letter agreeing to the terms of the scholarship. You may reapply each year for scholarships even if you were a previous recipient.

The term “credits” refers to those earned by the end of spring semester in the current academic year or as stated in the criteria.

You must meet all of the criteria stated in the scholarship profile in order to apply.

How to Apply

Our scholarship process is fully online! We are happy to streamline the process by using the Award Spring Scholarship Tracking and Review System, which helps match students to scholarships based on answers to a questionnaire that is filled out as part of the online application process.

To apply, go to https://centurycollege.awardspring.com

Application Deadline – Sunday, April 1, 2018

**Teaching Larry Litecky Legacy Scholarship**

**Purpose**
To encourage and support the educational goals of those aspiring to teach at any level.

Dr. Larry Litecky served as president of Century College from 2000-2011. Under his leadership the campus experienced dynamic growth and change. Enrollment more than doubled, building projects resulted in a new science/library building, a technology center, a renovated West campus, a connecting bridge between the two campuses, and more. New initiatives to support student success resulted in Century College’s rise to becoming the first college in Minnesota selected for the national Achieving the Dream program, as well as winning a number of prominent awards.

Dr. Litecky believed in the power of Century’s teachers. This scholarship supports the educational goals of those aspiring to teach at the post-secondary level, especially in the community colleges.
