United States Addresses

Writing and Saying Your Address

It is important that you memorize your United States (U.S.) address and write it accurately when filling out forms.

Addresses in the United States usually include two lines. When saying your address aloud it will go something like this, "Two zero two Main Street, Apartment five zero three. White Bear Lake, Minnesota, five five one one zero."

House Number	Street Name	Apartment or Unit Number	202 Main Street #503
City, State	Zip Code		White Bear Lake, MN 55110

Sending Mail

If you need to send mail in the U.S., below is an example of how to address an envelope. On the top left of the envelope write your address. This is where the envelope will be returned to if they cannot deliver to the recipient's address. On the top right corner affix a stamp. In the middle of the envelope write the name and address of the person or company who will receive the mail. Visit [United States Postal Service](https://www.usps.com) for more information.

If you are sending mail internationally you will need to add the country on an additional line:

Maria Larson
202 Main Street #503
White Bear Lake, MN 55110
U.S.A.
