

A MEMBER OF MINNESOTA STATE  
AN AFFIRMATIVE ACTION EQUAL  
OPPORTUNITY EMPLOYER & EDUCATOR

Thank you for your interest in the Office Technology-Medical Program at Century College! Many of the program courses are delivered online. In fact, you can complete the entire program online if you wish.

In order to be successful in online classes, entering students must have good fundamental technical skills; we need to assess your readiness for online classes. This document will guide you through this process. We want you to have a positive learning experience as you prepare for your new career. Please feel free to send us an email with any questions.

Sincerely,  
Faculty

## Program Information

- There are two foundational program courses in our program: OFFT 2006 and OFFT 2010. Students normally take these courses in their first semester after they have met the requirements in this document.
- One or both of these courses are required before you take many of the other OFFT Medical courses in our program: OFFT 2012, 2013, 2021, 2030, 2031, 2032, 2035, 2041, 2044, 2050, and 2783.
- Students should not register for any courses for which the prerequisites have not been met. Program faculty will enforce prerequisites.
- When you have met the program requirements outlined in this document, you will be given permission to register for program courses.

## Assessment and Checklist Completion Instructions

1. Review the Century College Online Learning Guide to learn about how online learning works at our college and what you need to do to prepare to be an online student: <https://www.century.edu/support-services/technology-services/online-learning>. To successfully complete online courses, you will need reliable access to a computer system, Internet, browser, computer headphones, microphone, and Microsoft Office software that meet Century College online requirements as defined in the Century College Online Learning Guide: <https://www.century.edu/sites/default/files/onlinelearning-guide.pdf>. If you don't own a computer, you can do your course work at one of the Century College's technology centers.
2. Take the free eLearn Ready survey:
  - a. Go to <https://free.elearnready.com/s/> and answer the questions.
  - b. On the last page, send the results to yourself and click submit.
  - c. This will take you to another page. Click "share this report with your instructor or academic advisor" and send it to MedOffTech@century.edu
3. Take a Word quiz:
  - a. Go to <https://edu.gcfglobal.org/en/word/quiz/>. Review the online lessons and retake the quiz as many times as necessary to achieve a score of 80% or higher.
  - b. Save a screen shot of your score. If you're not sure how to take and save a screen shot, learn how at <https://www.take-a-screenshot.org/windows.html>.
4. Take a typing test:
  - a. Go to <https://www.learn2type.com/typingtest/typingtest.cfm> and take a typing test. Practice your typing skills until you can type 30 adjusted words per minute (wpm).
  - b. Save a screen shot of your results, showing you can type 30 adjusted words per minute.
5. Answer each question on the **Program Prerequisite Checklist** on the next page.
  - a. Click either Yes or No for each question.
    1. For any questions in which you answer **Yes**, you have met the requirement. Move on to the next question.
    2. Follow the instructions for any questions for which you answer **No**.
6. When you have completed these forms, send an email to MedOffTech@century.edu and attach:
  - a. This completed checklist.
  - b. Your assessments:
    1. Screen shot of your Word Quiz results.
    2. Screen shot of typing test results
  - c. Email the results of the eLearn Ready survey separately.

After we have reviewed these documents, you will receive an email confirming you have met the program prerequisites and are ready to register for Office Technology-Medical classes.
