

Affordable Computers, Repair and Internet Service

Advising, Counseling and Career Center Front Desk: 651.779.3285

These resources offer affordable computers, repair and internet service:

- **PCs for People:** www.pcsrefurbished.com
This option provides the ability to provide low cost internet and computers to individuals who meet certain eligibility requirements. The internet access is provided with mobile hot-spots, which would allow students to take it wherever it is needed.
- **Minnesota Computers for Schools:** <https://mncfs.org/about/our-work/lifelong-learners>
Lifelong Learners assists those individuals who are in need of a computer at home and are not able to afford the cost of the equipment. The program is designed for students – elementary school to adult learners – who are currently enrolled in a school program as well as adults who need regular access to a computer to aid in job search.
- **Comcast Affordable Internet at Home:** www.internetessentials.com
Internet Essentials – Comcast is offering an "Internet Essentials" package free for low-income customers for 60 days. There is also an option to buy refurbished low-cost computers (NOTE - Comcast announced Friday 3/13, it would open free public Wi-Fi hot spots throughout the country, as part of its response to the Coronavirus outbreak. It will also eliminate data caps for its customers).
- **Charter Communications** is offering [Free Spectrum broadband](#) and WiFi access for 60 days in home with K-12 and/or college students that don't have an existing Spectrum service level up to 100 Mbps.
- **Refurble:** <http://www.refurble.com/>
Provides low cost refurbished machines to students.
- **Century College Bookstore to Buy Laptop:** www.centurycollegebookstore.com/MerchList.aspx?ID=2819
Low cost technology offered for purchase.
