Due to there being multiple rounds of the scholarship program here at Century College, the scholarships in this document are only open for Round 1. Which is open during January 15\(^{th}\) - May 15\(^{th}\). Which are scholarships for current students.

Round 2 will include scholarships that are open for incoming students with a few open for current students. If you have any questions, please email Sonja.LaFoy@century.edu
Scholarship Guidelines

• You may apply for multiple scholarships but can only be awarded one. If you are in the top-ranking position for more than one scholarship, you will receive the scholarship with the higher dollar award.
• You must meet and maintain all of the criteria stated in the scholarship profile in order to apply.
• Make sure that you read the scholarship description to make sure you are truly qualified for the scholarship.
• You may reapply each year for scholarships even if you were a previous recipient.
• The term “credits” refers to those earned by the end of spring semester in the current academic year or as stated in the criteria.
• If you are awarded a scholarship, you must sign an acceptance letter agreeing to the terms of the scholarship and write a thank you letter to the donor before funds will be released, and you will be invited to attend the scholarship awards banquet in the fall of the year of your scholarship award.

Important Changes

• Scholarships are no longer requiring an essay. When the requirements say ‘Submit an essay’ we have actually replaced uploading an essay with 5 questions to help you answer what the scholarship is looking for!
  1. Tell us about yourself (please include your background and what led you to Century College)
  2. Tell us about your academic and career goals.
  3. Describe an obstacle you’ve overcome or discuss your greatest achievement.
  4. How will this scholarship help you? Please talk about any financial need you might have.
  5. Is there anything else you would like to add that was not covered in the last four questions?
