Tutors Linked to Classes (TLC) Leader and Peer Tutor Information

What is the difference between TLC and Peer tutoring?

**Tutors Linked to Classes (TLC)** is an academic support program that utilizes peer assisted study sessions to assist students with traditionally difficult academic courses having large class sizes. TLC sessions are an opportunity for students to compare notes, discuss readings, ask questions, and prepare for examinations.

**Peer tutoring** is also an academic support program; however it is not linked to specific classes. The purpose of peer tutoring is to provide a collaborative learning situation for students desiring assistance with content in a specific course or program, with study skills, with basic skills, or with computer aided instruction in our Support Centers (E2523 or W2461).

What are my responsibilities as a tutor?

TLC Leaders are responsible for leading individual or group study sessions for his or her assigned academic course. TLC Leaders attend lectures for their assigned class, take notes, work through all homework assignments as well as plan and facilitate interactive TLC sessions to assist students.

Peer Tutors are responsible for maintaining a weekly schedule of available hours in the Support Centers for student appointments. Peer Tutors meet with students on a one-to-one or small group basis to give learning assistance.

What are the benefits of being a tutor?

TLC and Peer tutoring is a paid, professional opportunity for student leaders who want to improve communication skills, gain experience working with students, review and strengthen their familiarity with an academic discipline, and gain valuable group facilitation skills desired by many employers. Tutoring schedule is flexible based on your availability. Century College is also certified by the College Reading and Language Association (CRLA). This allows us to certify tutors after meeting specific training and tutoring goals. Speak with the Coordinator for more information about the benefits of CRLA certification.
