

You've Been Recommended to be a Tutors Linked to Classes Tutor!

Congratulations!

Your performance in the classroom has shown that you will be an exceptional tutor with the Tutors Linked to Classes (TLC) program. TLC is a program that employs tutors to be linked to specific courses to support student success.

As a TLC Tutor, you will....

- Attend and participate in the class that you are linked to (in-person, online, and hybrid)
- Offer regularly scheduled times to support students outside of class (in-person and/or virtual)
- Collaborate with faculty and work closely with students to support course objectives

Some of the benefits of being a tutor are....

- The opportunity to help and give back to the students at Century College!
- Building your resume by gaining leadership and employability skills.
- Receiving mentorship from faculty who can serve as a professional resource.
- Becoming a Certified Tutor through the International Tutor Training Program Certification through the College Reading & Learning Association, which looks good on your resume and can lead to future tutoring or teaching assistant positions at other institutions.
- Earning \$14.50 an hour in an on-campus position that offers flexibility and paid training!
- Performing better in your classes. Students who hold an on-campus job at Century College are more likely to do better in their classes compared to their peers who do not work on campus.

Next Steps

1. Contact your instructor right away to let them know you'd like to be a TLC tutor in their class and determine a tentative schedule for the desired semester.
2. Complete the [Tutor Employment Application](#).
3. Notify Beth Timmerman, Director of Tutors Linked to Classes and Peer Tutoring (beth.timmerman@century.edu) that you completed the application.

We look forward to welcoming you to the TLC program!
