Dear Prospective International Student:

Thank you for your interest in Century College, a two-year college with over 8,000 students. The College is located in White Bear Lake, Minnesota, a suburban community located about 10 miles north of the state capital, Saint Paul. White Bear Lake has a population of 26,000, and is part of the Twin Cities (Minneapolis-St. Paul) metropolitan area, which includes over 3.6 million residents.

Century College offers over 40 programs of study leading to two-year Associate Degrees in Arts, Sciences, or Applied Sciences. Century also offers courses that allow students to complete the general education courses of a wide range of majors, transferable to four-year colleges and universities. The academic year is divided into two semesters, during which an international student must be enrolled full time with 12 or more credits, usually taking three to four different courses each semester. The fall semester runs from late August through mid-December and the spring semester runs from mid-January to mid-May.

Minnesota’s climate includes four seasons: spring, summer, fall and winter. The weather ranges from 21 to 32 degrees centigrade (June through August), and -6 to -12 degrees centigrade (December through February). Century College offers many opportunities for involvement through our Student Life activities, as well as our Intramurals and Athletics programs.

If you are seeking a degree, and have transferable foreign college/university credits, you may request that your international transcript(s) be sent by your former school(s) directly to a credential evaluation service, such as World Education Services or Educational Credential Evaluators. Once an evaluation service has assessed your transcript(s), Century College Transfer Student Services can evaluate the credential evaluator report. A Century College academic advisor can then work with you to petition for the satisfaction of specific degree requirements, based on your transferable credits.

The college is asking you to provide information that includes private and/or confidential information under state and federal law, in order to process your application. You are not legally required to provide this information; however, the college may not be able to effectively process your application if you do not provide sufficient information. With some exceptions, unless you consent to further release of private information, access to this information will be limited to school officials, including faculty who have legitimate educational interests in the information. Under certain circumstances, federal and state laws authorize release of private information without your consent: to schools in which you seek or intend to enroll, or are enrolled, to federal, state or local officials for purposes of program compliance, audit or evaluation, as appropriate in connection with your application for, or receipt of financial aid, to your parents, if your parents claim you as a dependent student for tax purposes, if the information is sought with a subpoena, court order, or otherwise permitted by other state or federal law, and to an organization engaged in educational research or an accrediting agency.

International Student Agreement

Please sign and submit this agreement with your application.

If admitted to Century College, I agree to:

**Students must maintain health insurance coverage throughout the duration of their attendance at Century College. Century College reserves the right to suspend students who do not comply with this mandatory insurance requirement. Century College assumes no responsibility for medical expenses.

Financial Responsibility Form

You must complete the reverse side of this statement and return it with your application. Please attach required bank documentation(s) along with required official stamps or seals noting that your identity was verified when signing this form.

Century College requires certification of adequate financial support from applicants with non-immigrant visas. The certification statement on the next page must be on file at Century College before admission will be considered. A student must be prepared to pay for his/her first semester tuition and fees, books and supplies, and the annual injury and sickness insurance costs, immediately upon arriving at Century College. Financial aid is not available to international students.

ESTIMATED COSTS FOR ATTENDANCE AND LIVING EXPENSES

Tuition and fees are set by the Minnesota State Colleges and Universities Board of Trustees each July, preceding the academic year. Costs listed below are subject to change. Current tuition and fees are on the college’s website, at www.century.edu. Amounts shown below are in U.S. Dollars (USD).

If including a spouse as F-2 dependent  $3,500
If including a child as F-2 dependent   $2,500 (per child)

Century College does not provide campus housing or make living arrangements for students. Students are responsible for arranging their own living and transportation accommodations prior to arriving to the college.

* Tuition rates are generally higher by $20 per credit for on-line courses, by $35 per credit for Nursing discipline courses, and by $26 per credit for Dental Assisting & Hygiene, Orthotic Technician & Practitioner, and Prosthetic Technician & Practitioner discipline courses. Shown above is the rate for the minimum credit registration required during Fall and Spring Semesters (12+12=24 credits) in general academic discipline courses, including those within the discipline of English for Speakers of Other Languages (ESOL), and those courses numbered below 1000 and considered pre-college level or developmental level. Students often register for more than the minimum number credits during Fall and Spring semesters, and also take Summer Session courses, thus increasing expenses for tuition, fees, books, and supplies beyond the above estimated costs.

** Tools and materials in trade/technical programs can cost up to $3500, and are the student’s responsibility.

*** Injury and Sickness Insurance is required, and needs to be paid for each year prior to course registration. Minnesota State requires a health insurance policy for students to purchase with UnitedHealthcare. Prices for the policy are subject to change each academic year.

Single students must provide evidence of minimum financial support in the amounts shown above to meet expenses for one calendar year in the United States. If applicable, an Affidavit of Support form, USCIS Form I-134, available at www.uscis.gov, can be completed to provide evidence of support for Room and Board, Transportation, and Miscellaneous/Personal Expenses, which composes the majority of the total annual costs, leaving the remainder to be covered by banking documents. Students who cannot demonstrate that they have sufficient funds will not be admitted to the college.
Financial Responsibility Form

By signing this form, the student affirms that:

1. I will have sufficient funds available to pay all of my necessary expenses in the amount indicated on the reverse side of this form for the duration of my studies at Century College and will further be able to pay for travel to and from my home country.
2. I understand that I will not receive financial aid (grants, loans, or employment) from the college.
3. The source(s) of my supporting funds, listed below, are shown in US dollars:
