

Self-Enroll in MFA (text or call verification)

Self-Enroll with MFA

Follow these instructions using a computer to self-enroll and a mobile phone to authenticate! If you are not near a computer, please refer to these instructions to self-enroll with a smartphone only.

1. Click this link to start self-enrollment: <https://www.minnstate.edu/mfa>
2. Enter YourStarid@go.minnstate.edu and your StarID password. Then click **Sign In**.
3. Click **Enable MFA for [Your Name]**.
4. Click the link to set up your verification options.

5. Then click **Next**.

5. Depending on what option you chose, you will receive either a phone call or text message prompting you to verify. If you chose a text, enter the six-digit code to verify. If you chose phone call, press the pound (#) key to verify.

6. Click **Done**.

Complete Authentication Set-Up

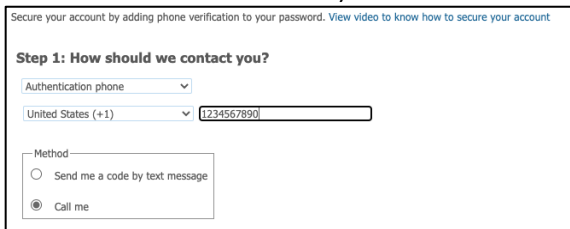

It's important to set up backups in case you lose your phone and you still need to get in your account!

1. Choose backup authentication methods.
2. Then click **Done**.

Congratulations! Your account is fully enabled for multifactor authentication.

Verification Option 2: Mobile Phone that Receives Texts or Voice Calls

1. Under **Step 1: How Should We Contact You**, use the dropdown menu to select *Authentication Phone*.

2. Enter your mobile phone number.
3. Select either "Send me a code by text message" or "Call me".
4. Click **Next**.
