Please note that the Textbook Deferment process described above is not applicable for 3rd Party funded purchases. Please inquire at the Bookstore for more information.
Textbook Deferment Agreements (TDA’s) are available to students who have been awarded financial aid and who have funds that exceed the amount of their tuition and fees. Textbook Deferment Agreements allow a student to charge books and required supplies at the Bookstore up to the amount available for their Textbook Deferment. The minimum amount of a TDA is $100 with a maximum amount of $750. Students in Rad Tech, Nursing, Auto Service Tech and Cosmetology Programs may be awarded additional funds. Charges made using a TDA will be deducted from your financial aid when it is disbursed. Prior to attempting to use a TDA at the Bookstore, it is your responsibility to confirm that there are financial aid funds available for a TDA. Following are the instructions on how to confirm your eligibility:

- Log on to the Century website at **www.Century.edu**
- Click on “eServices”
- Enter your Star ID and Star ID Password
- On the “Balance Due by Term” screen you can view your tuition and fee charges for Spring Term 2015
- Click on “Financial Aid” in the left-hand column
- View your “Award Letter.” This will show your term awards for full-time enrollment and the amount of loan funds that have been certified. If you are not a full-time student, you will need to view the “Estimated Award Levels” which gives your award funds by the credit level. If the sum of your certified loan amounts and grants by credit level exceeds your tuition and fee charges, you are eligible for a TDA (Minimum amount of $100 and maximum of $750.)

Once your awards are posted on the website, it will take one day before the TDA will be available for use in the Bookstore. Check in with a bookstore employee before gathering your purchases. **Failure to determine if you are eligible for a Textbook Deferment Agreement may result in needless time spent in lines at the Bookstore or at the Financial Aid Office.**

Please note that if your financial aid changes and does not cover your tuition and fee charges for any reason (including such things as dropping or adding credits, unsatisfactory progress holds, etc.) you are responsible for repayment of any TDA charges. Before purchasing books in the Bookstore, please review the terms and conditions # 1-5 related to the TDA which appear on the front of this form. You will be asked to sign this agreement when you purchase your books. Always bring your Century College Student ID card with you to use your TDA as you will not be able to use your TDA without your Student ID card.
